

The Seasons Lodge
12575 Golf Course Dr
Whittington, IL 62897
(618) 629-2600

The Seasons Lodge is closest to the Golf Course but approximately 9 miles from the Rend Lake Resort on Wayne Fitzgerald State Park where the evening picnic BBQ is scheduled and where the pontoon boats are rented for Saturday afternoon.

The Seasons Lodge is the only hotel of the 2 where rooms are blocked that DOES NOT require a 2 night minimum for weekends during busy summer months. There are fewer rooms available however, so if you only plan to spend one evening, this would be your best bet. Guest rooms are \$98 per evening and King / Queen Suites are \$108. Please mention Illinois LICA to be booked into our block. If we pick up 10 or more rooms, everyone will receive a 10% discount on guest room pricing.

Rooms will be released back to the public on May 27th, at which time they will quickly disappear.

Rend Lake Resort & Conference Center

Whittington, IL
(618) 629-2211

The Rend Lake Resort on Wayne Fitzgerald State Park is where the evening picnic BBQ is scheduled and where the pontoon boats are rented for Saturday afternoon. It is the only hotel of the two where rooms are blocked that is right on the water. If you're bringing your own boat, you may want to consider staying here for convenience sake. The buffet breakfast for Sunday am is also scheduled at the resort.

The Rend Lake Resort requires a 2 night minimum for weekends during busy summer months. There are more rooms available than at the Seasons Lodge so it may be the only option as the date draws closer. The guest room rates are \$93 with suites running \$130. Please mention Illinois LICA to be placed in our block.

Rooms will be released back to the public on May 14th, at which time they will quickly disappear.
