

UFG Insurance and Prins Insurance announce State LICA Insurance Program 2022 dividend results

UFG Insurance strives to uphold its policyholder promise to ensure businesses are financially prepared to overcome losses with its trustworthy insurance protection. The carrier is proud to have fulfilled this important promise for the members of the State LICA Insurance Program last year.

LICA contractors who participate in the program have access to UFG's trusted insurance products, gold-standard service from the UFG claims team, dedicated risk control assistance and other perks like the opportunity to earn a safety group dividend* based on loss ratio.

Last year, the group loss ratio for members of the State LICA Insurance Program (Arkansas, Iowa, Illinois, Indiana, Kentucky, Minnesota, Missouri, Nebraska, North Dakota, New Jersey, Ohio, Pennsylvania, South Dakota, Wisconsin) earned members a 1% safety dividend for 2022.

"We congratulate the LICA contractors in our program on earning a safety dividend and for their demonstrated commitment to safety," says UFG Insurance AVP and Branch Manager, Matt Schleier, who also serves as the State LICA Insurance Program advocate.

UFG's risk control services will continue to champion support for the businesses insured, helping them foster the safest settings possible with fewer and less severe losses, which will undoubtedly continue to improve results.

The State LICA Insurance Program has been a trusted pillar for LICA members for more than 25 years. UFG is honored to serve as the recommended insurance company for the State LICA Insurance Program in partnership with Prins Insurance.
